**WATER CARRIER 20L**

# SPEEDFLO HEAVY-DUTY WATER CARRIER 20L

Available in multiple sizes, our SpeedFlo Heavy-Duty Water Carrier features a thick HDPE body, meaning it can withstand harsh conditions, as well as a carry handle which is perfect for easy lifting and refilling.

The SpeedFlo Heavy-Duty Water Carrier comes supplied with an updated removable tap with a simple to use, single-handed mechanism.

All size water carriers are also supplied with a water-tight lid, allowing you to transport in confidence that there won't be any spills.

The lid is uniquely vented to ensure a fast and controlled water flow.

Ideal for fishing, camping, and other outdoor pursuits where a robust water carrier is a necessity.

## FEATURES:

- New updated SpeedFlo tap
- Store tap inside lid of the 10L, 15L & 20L models
- Water-tight interchangeable lid
- Removable tap
- Vented lid to ensure a fast and controlled water flow
- Able to operate mechanism with a single hand
- Thick and robust HDPE construction
