

Pictograph Film Black

No. 2112

The Pictograph Film ist made for an individual and clean labeling for the operating elements on all VOTRONIC-Panels. The Pictograph Film is in black suitable for light/silver surfaces.

The pictographs are self-adhesive, prepunched and abrasion-proofed. Best you use a sharp knife, scalpel etc. from its liner and position it at the appropriate place. Rub the bubbles with a soft, lint-free cloth, if necessary.

Measure of one pictograph: 11 x 8 mm
